Moulton Chapel Primary School controls the CCTV cameras and recording equipment on this site.

The purpose of this site surveillance equipment is:

- to enhance the school's site security, including recording visitors to school;
- to provide a tool to identify culprits in incidents of vandalism, theft or violence on site.

Images recorded are held on a hard drive with access to these images limited to school's leadership team.

Images recorded will only be shared in the event of a crime/safeguarding incident at the request of the Police.
