

School Vision

Our school vision

At Moulton Chapel Primary School, we are committed to creating a warm, welcoming, and safe environment where every child can grow intellectually, emotionally, socially, and physically.

Together with staff, governors, and families, we help every child grow in confidence and independence, ready to thrive as lifelong learners.

Our school aims and drivers

We aim for our school to be a place where learning is central to everything and that a child's learning journey is exciting, stimulating and challenging.

Key driver 1 - To be able to read, write and speak with confidence and fluency.

Key driver 2 - To be able to use mathematical concepts to tackle problems and resolve them.

We aim to foster a culture of kindness, respect, and consideration for others, while celebrating every child's academic, social, physical, and moral growth.

Key driver 3 - To be global citizens that have had cultural experiences beyond their normal lives.

Key driver 4 - To grow into responsible, respectful young people, who value each other.

Our aim is to place learning at the heart of everything we do, ensuring each child's journey is exciting, engaging, and challenging.

Key driver 5 - To aspire to dream big in their career path.

Our School Values

The 6B's underpin our teaching and learning and help to provide an environment which will prepare our young people to be confident, happy citizens.
