The governors are seeking to appoint a self-motivated, enthusiastic team player.

Moulton Chapel is a 'good' school with the potential to improve and has fantastic children. We are looking to appoint a highly committed 1-1 teaching assistant to work as part of our team. The role will primarily be to provide enhanced support and provision for an individual child who is currently in receipt of an EHCP (Education Health Care Plan).

We have high expectations and the staff and children are always striving to become the best we can be! You would be joining a friendly team of 4 teachers (including the headteacher) and 7 TAs in this small, rural primary school. We value our family atmosphere and the support of our pupils' families and the local community.

We look forward to hearing from you if you have:

- Experience of working with children with specific learning needs and associated behaviour difficulties;
- Resilience and the ability to cope with the physical demands of the job;
- The ability to work in a calm, supportive and caring manner;
- The ability to deliver learning support planned by the teacher and SENDCo;

The post is temporary until the assistance is no longer required or as a result of the child leaving the school, whichever is earliest. It is also subject to successful completion of a three month probationary period.

We are committed to rigorous safeguarding procedures and promoting the welfare of all children

Visits to the school may be possible. Please contact the school. If you require any further information please do not hesitate to contact us.

We look forward to hearing from you.
