

Spring term 2022 in Monkey Puzzle class, Year 3 and 4.

Dear Parents,

I hope you had a pleasant Christmas and New Year.

This Spring term the topic in our class changes from the Romans to “The World”. The children will be learning all sorts of geographical aspects of the topic, plus we will incorporate art, design, music and other subjects.

This term our PE days will remain Thursdays and Fridays, though there will be no swimming. They will need to come to school in PE kits and a hoodie and tracksuit bottoms for these cold months.

Homework will still be set on Fridays for return by the following Friday. Spellings will be given out on Monday again and tested the following Monday. Please ensure your child reads every day for at least 20minutes as this will aid their fluency development and practices their tables daily.

In RE this term, we will be looking more closely at different celebrations in different religions and asking the Big question of Why we celebrate?

I hope that covers everything! If you have any queries about anything, please don't hesitate to contact me. Thank you for your continued support.

Yours faithfully

Mr Plumb
