	% working at Higher standard	0	6.7	9
Sci	% working at Expected standard	78		82

Progress Measures from the DfE (Floor Targets) for 2017

Floor standard in 2017

The floor standard is the minimum standard for pupil attainment and / or progress that the government expects schools to meet.

No school will be confirmed as being below the floor until December 2017 when schools' performance tables are published.

In 2017, a school will be above the floor if:

- at least 65% of pupils meet the expected standard in English reading, English writing and mathematics;

or

- the school achieves sufficient progress scores¹ in all three subjects.
At least -5 in English reading, -5 in mathematics and -7 in English writing.

To be above the floor, the school needs to meet either the attainment or all of the progress element.
